

The *Award Winning Champion Charms Dance & Drill Teams* are seeking sponsors for the 2022-2023 season. Your time is valuable and we appreciate your consideration to honor our request to become a partner and sponsor. Our teams are Academic Leaders and have won numerous awards for Choreography, Showmanship and Creativity to name a few. Our goal is to continue this tradition, setting the bar higher this next season. The Champion Charms are seeking financial support from individuals and businesses in our community that are interested in helping us continue our award winning tradition. The funds are used for the team's uniforms, choreography, training, competition fees, travel expenses, spring show, senior grants, year-end banquet and various other expenses. With your support, the Charms hard work, great attitudes and dedication, we look forward to the new season with high expectations for a successful year.
